Stay compliant by reporting and filing directly with the IRS.

1094-C / 1095-C Reporting

Worried about ACA compliance? BerniePortal has got you covered! BerniePortal uses its enrollment and eligibility database to generate 1094-C / 1095-C reports. This built-in solution eliminates the need for a third party vendor so you can deliver your information directly to the IRS.

File Directly with the IRS

Because the IRS granted BerniePortal a Transmitter Control Code, BerniePortal has earned the ability to electronically file forms directly to the IRS for employers with over 250 employees. For employers with fewer than 250 employees, BerniePortal also provides traditional filing and mailing services.

Distribute Employee Forms

Get the right documents to the right employees at the right time. BerniePortal 1094-C/1095-C mailing services keep you compliant by ensuring that employees receive the proper documents on time.
